Awards Nomination Committee  
Public Works Association of BC  
102-211 Columbia St.  
Vancouver, BC V6A 2R5

Dear, Nominating Committee.:

**RE: Nomination of Mr. Jasvinder Hothi for Emerging Leader of the Year award for PWABC.**

Please accept this letter and supporting documentation as a formal application for the *Emerging Leader of the Year Category* for the upcoming yearly PWABC awards to include Mr. Jasvinder Hothi, Superintendent I Sewer Operations, City of Vancouver.

Mr. Hothi has personified his leadership in our organization over the past year with his relentless pursuit of safety, construction method changes, construction crew teamwork development, pre-planning development and positive communication. These are just some of the many accomplishments in Jasvinder's year as, many are still ongoing and will be legacies here soon.

Included with this letter is the PWABC nomination, training history, association log, volunteer work history log and the copy of an article Mr. Hothi wrote and technology he championed for the City's work force. Thank you in advance for this consideration for Mr. Hothi, a true young leader.

Yours truly,

Michael Ireland  
Superintendent II Sewer Operations, Construction and Connections
